Yens Wagemans is a compliance expert and one of the most sought-after voices in the field of cryptocurrencies. He is a co-founder of Compliance Champs, a consultancy firm specializing in cryptocurrency compliance. He has written cryptocurrency policies for one of the largest banks in the Netherlands and has gained widespread media attention for his innovative views on commercial companies buying cryptocurrencies using their bank accounts.

Currently, he is working as a member of the Cryptocurrency Council at the second-largest bank in the Netherlands, providing continuous advice and education to financial organizations and cryptocurrency exchanges interested in compliance and regulations regarding digital assets and cryptocurrencies

Yens Wagemans is also a Certified Compliance Professional (CCP) who has integrated his deep expertise in compliance restructuring and risk management with a passion for cryptocurrency development. Wagemans aims to build a global community for cryptocurrency mining and develop NFT products, Web3, user-friendly trading platforms, and opportunities for simple, transparent, and cost-effective payment solutions..
